

**Lunch Bunch Extended Day
For Three-Year-Olds
2018-2019**

Lunch Bunch Extended Day at Hingham Nursery School is an opportunity for children to stay after their regular class or come to school on an additional day.

The children come into the designated Lunch Bunch Extended Day classroom. They gather, then eat lunch together, and have rest time. After rest time, they have their theme-based activities and free choice.

The literature-based curriculum in Lunch Bunch Extended Day provides activities that complement the morning session of preschool. Through books, the teachers integrate literacy, math, science and social studies into the day. Cooking, science and art projects are a big part of the class.
